THE
BRICK
FACTORY

AUTOMATE YOUR PRINT BUSINESS. GROW WITHOUT LIMITS.

Your print platform for effortless growth, seamless integrations, smooth workflows, and happier customers.

THE SMART WAY TO RUN A PRINT BUSINESS

The world of print-on-demand is changing fast. Customers expect speed, precision and personalisation. Your competitors are levelling up. The question is... are you?

The Brick Factory connects your printers, online stores and suppliers into one powerful system that works automatically. From order to shipment, every process is handled without you lifting a finger.

You stay in control, but the hard work happens in the background. No more spreadsheets. No more mistakes. Just seamless production, lower costs and faster growth.

FROM CHAOS TO CALM

Running multiple stores, designs, and printers can feel like spinning plates. The Brick Factory brings it all together so you can focus on what matters: selling and scaling.

Orders flow automatically from Shopify, WooCommerce and other platforms straight into production.

Stock stays in sync with leading suppliers like Ralawise, Pencarrie, L-Shop, and BOL.

Print files scale automatically for every garment size or surface.

Shipping updates happen instantly so your customers always know where their orders are.

It's your entire print business, fully connected and working in harmony.

BUILT FOR PRINTERS WHO THINK BIG

420%

Our clients report up to 420% growth in their first year thanks to fewer errors, faster turnaround and effortless onboarding for new customers.

"Including The Brick Factory in our journey was one of the best decisions we've made. It has strengthened our position in the print-on-demand market."

— Razvan, Co-founder, Printoteca Romania
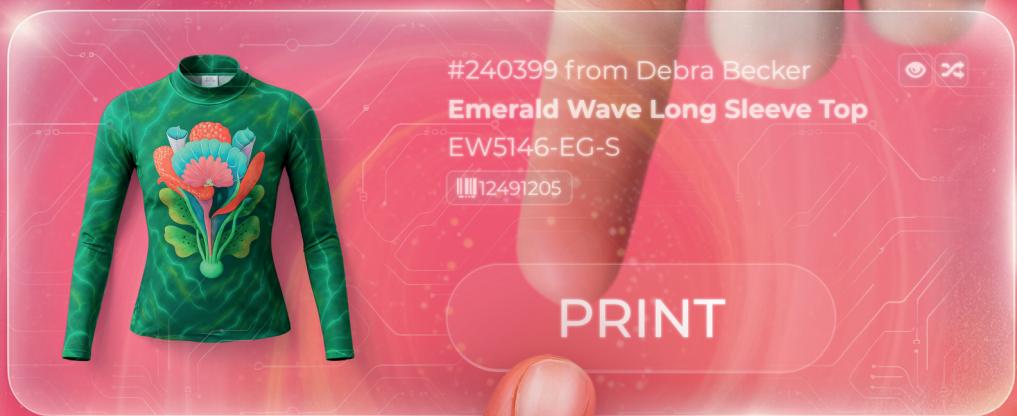

YOUR BRAND. YOUR WAY.

The Brick Factory is not a one-size-fits-all solution. It's fully customised to reflect your business, brand, products and processes.

You can manage every stage of decoration, from artwork preparation to final output. Your customers enjoy quicker, more reliable fulfilment. Behind the scenes, The Brick Factory runs the show.
